

IMPORTANT FORM! PLEASE FILL OUT ONE PER FAMILY!

Lincoln PTA Student Directory

It's that time of year again! Lincoln's PTA will soon publish its annual Lincoln Student Directory. As most of you know, the Directory lists all students' names by classroom along with all address and phone number information provided by parents. Because we have a very high participation rate in this Directory, it is extremely useful for contacting friends, arranging carpools and play dates, learning classmate names, and getting late-breaking information to you.

Every student's name will appear in the Directory, but only those completing this form will have contact information listed. You will notice that only one form is required of each family (although you may receive extra forms). Please turn in the forms by the last Friday in September.

List each of your children's names as you wish them to appear in the Directory:

Child #1	_____	_____	_____	_____
	First name	Last name	Room# last year	Teacher and Room # this year
Child #2	_____	_____	_____	_____
	First name	Last name	Room# last year	Teacher and Room # this year
Child #3	_____	_____	_____	_____
	First name	Last name	Room# last year	Teacher and Room # this year

TO ENSURE ACCURACY, PLEASE PRINT ALL INFORMATION

Mother's/Guardian's Name as you would like it listed: _____

Father's/Guardian's Name as you would like it listed _____

Address: _____

Phone Number: _____

Email address: _____
(Please PRINT very clearly – only one email address and phone number per family)

Special: (add any notes you like to clarify your information.)

Thanks for your help and interest in our Directory. YOU GET ONE FREE COPY PER FAMILY JUST FOR JOINING THE PTA!! That's an excellent value. Please feel free to email me at Directory@Lincoln-PTA.org if you have questions regarding the Directory. All forms must be in my possession by the last Friday in September to be included in this year's directory. Thanks!
